Subpart F [Reserved]

Subpart G—FEP Agency Designation Procedures

§ 1601.70 FEP agency qualifications.

(a) State and local fair employment practice agencies or authorities which qualify under section 706(c) of title VII and this section shall be designated as "FEP agencies." The qualifications for designation under section 706(c) are as follows:

(1) That the State or political subdivision has a fair employment practice law which makes unlawful employment practices based upon race, color, religion, sex, national origin or disability; and

(2) That the State or political subdivision has either established a State or local authority or authorized an existing State or local authority that is empowered with respect to employment practices found to be unlawful, to do one of three things: To grant relief from the practice; to seek relief from the practice; or to institute criminal proceedings with respect to the practice.

(b) Any State or local agency or authority seeking FEP agency designation should submit a written request to the Chairman of the Commission. However, if the Commission is aware that an agency or authority meets the above criteria for FEP agency designation, the Commission shall defer charges to such agency or authority even though no request for FEP agency designation has been made.

(c) A request for FEP agency designation should include a copy of the agency's fair employment practices law and any rules, regulations and guidelines of general interpretation issued pursuant thereto. Submission of such data will allow the Commission to ascertain which employment practices are made

unlawful and which bases are covered by the State or local entity. Agencies or authorities are requested, but not required, to provide the following helpful information:

(1) A chart of the organization of the agency or authority responsible for administering and enforcing said law;

(2) The amount of funds made available to or allocated by the agency or authority for fair employment purposes;

(3) The identity and telephone number of the agency (authority) representative whom the Commission may contact with reference to any legal or other questions that may arise regarding designation;

(4) A detailed statement as to how the agency or authority meets the qualifications of paragraph (a) (1) and (2) of § 1601.70.

(d) Where both State and local FEP agencies exist, the Commission reserves the right to defer to the State FEP agency only. However, where there exist agencies of concurrent jurisdiction, the Commission may defer to the FEP agency which would best serve the purposes of title VII or the ADA, or to both.

(e) The Chairman or his or her designee, will provide to the Attorney General of the concerned State (and corporation counsel of a concerned local government, if appropriate) an opportunity to comment upon aspects of State or local law which might affect the qualifications of any new agency in that State otherwise cognizable under this section.

§ 1601.71 FEP agency notification.

(a) When the Commission determines that an agency or authority meets the criteria outlined in section 706(c) of title VII and § 1601.70, the Commission shall so notify the agency by letter and shall notify the public by publication in the FEDERAL REGISTER of an amendment to § 1601.74.

(b) Where the Commission determines that an agency or authority does not come within the definition of a

FEP agency for purposes of a particular basis of discrimination or where the agency or authority applies for designation as a Notice Agency, the Commission shall notify that agency or authority of the filing of charges for which the agency or authority is not a FEP agency. For such purposes that State or local agency will be deemed a Notice Agency.

(c) Where the Chairman becomes aware of events which lead him or her to believe that a deferral Agency no longer meets the requirements of a FEP agency and should no longer be considered a FEP agency, the Chairman will so notify the affected agency and give it 15 days in which to respond to the preliminary findings. If the Chairman deems necessary, he or she may convene a hearing for the purpose of clarifying the matter. The Commission shall render a final determination regarding continuation of the agency as a FEP agency.
